

Halcombe School Board of Trustees – September 2015 News

The Board met last Monday and, as usual, we had a full programme of topics to discuss:

- We confirmed the school year will commence on Monday 1st February 2016.
- Figures were presented on student attendance and we are pleased with the overall report.
- We are satisfied with the current guidelines on Attendance and Truancy and the procedures within this area are working well.
- A review of our Sick Bay, Health Care and Accidents Procedures was also presented and the school meets all requirements.
- Our recent audit suggested several areas in our financial management that need reviewing. The Board will implement changes as required. We have accepted the contract from Silks Chartered Accountants, our current auditor, for the next three years' audit.
- Tamzin Darragh, trustee with responsibility for personnel, updated the BOT about recent negotiations in collective agreements.
- The next Board meeting will be on Monday 2nd November 2015 (Term 4, Week 4).

The Board is aware of the roll growth at the school and is currently looking at various options.
