Term 1 Week 7

15th March 2016

Tena Koutou Katoa - Greetings to all parents and caregivers

PTA AGM

The PTA Annual Meeting will be on Wednesday 23rd March in the Staffroom starting at 7pm.

Please give some thought to joining this very important group of people in our school. There are several positions available. While the core business of the PTA is to support fundraising in the school, this is often about organising and coordinating the activities.

The school is extremely fortunate to have the support of the PTA who contribute financially for the benefit of all our children.

Meetings are usually less than an hour and only twice a term.

We would love to see you next Wednesday evening

Green Team Project

The Green Team needs small sized grasses / flaxes for a project they are making for the Feilding Garden Festival. These will be planted in 2 litre milk containers – so nothing big. If you have seedlings or small plants we can have please send to school or contact Barbara Davies if you need further information. Many thanks from the Green Team.
