Term 3 Week 6

29th August 2016

Tena Koutou Katoa - Greetings to all parents and caregivers

Quiz Night

What a fabulous success last Friday evening was! Thank you so much to everyone who supported the evening in any way; our sponsors, people who donated goods to auction, the PTA and Friends of the School, staff and all the families who sent along grocery items, provided food for supper, or helped on the night. There was a wonderful atmosphere in the hall with 28 teams involved. This was a great way to not only fundraise for the children, but bring people together for a fun evening. The profit is more than \$8000. An excellent effort everyone! The money will be used to complete the fitness trail.

South Makirikiri Winter Sports Exchange

Last Tuesday, 60 of our senior students piled onto the bus and headed for South Makirikiri School for our annual winter sports exchange. Everyone was VERY excited! We played them in rugby, football and netball and we won some and lost some. Everyone showed excellent sportsmanship and we certainly had a lot of fun. Thank you to Damon Hunt, Larry O'Fee and Christine Sinclair who helped with the coaching and refereeing, and to all those parents who came along to watch. What an awesome day!

Netball

We have had two teams playing in the Intermediate Netball Competition in Palmerston North since the beginning of Term 2. These girls have been practicing every week and have come a long way since the beginning of the season. Both teams played their final games last week and our A team ended up 9th overall - not bad for a wee country school! Thanks to Dayna Fleet and Di Simpson for coaching these teams.

Staff Support

If you have been to a school netball, hockey or flippaball game lately, you will have noticed one of our awesome teachers supporting from the sideline. Our kids are so lucky to enjoy this support and the teachers think it's pretty cool being able to see the kids in action too.

Kind regards

Sue Simpson
