Term 1 Week 11

11th April 2017

Tena Koutou Katoa - Greetings to all parents and caregivers

We have had a wonderful term. Your children have been amazing – they are a fantastic group of kids and it is such a pleasure to see them striving to be 'Triple A' students. The school is in excellent heart with a sense of purpose and commitment, amazing staff and a sense of fun and enjoyment. The positive partnership between home and school is so critical in helping us get the best outcomes for your children. Thank you all for your support in so many ways during the term.

Thank you all for being so understanding over the numerous postponements over the last week or so. We have had 4 major events postponed which means a lot of patience, organisation and notes home.
