Term 4 Week 9

12th December 2017

Tena Koutou Katoa - Greetings to all parents and caregivers

Halcombe School has had an excellent year! There is a wonderful vibe around the school and we have achieved much.

We have several building projects underway, including the new storage shed, concrete to the garden area, new garden shed, and \$20k to be spent on the pool changing rooms and plant. All are due to be completed before school starts next year. In term 1, the playground will be updated with \$33k to be spent and the school will be painted in the first term holidays.

Our end of year data is excellent, with 92% of students achieving at or above Standard in Reading, 82% in Writing and 86% in Maths. We are very proud that our students go on to achieve great things at their respective High Schools, with many past Halcombe School names featuring.

We hope you have a lovely Christmas and enjoy some time with family and friends.

Senior Prizegiving

The evening starts at 7pm tomorrow evening. Parking is available on both netball courts.

Last Day

School finishes at 1.00pm on Thursday. Buses will run then. If you are collecting your children, please do so promptly.

Start date 2018

This is a reminder that we start school on **Monday 29th January** next year. Children can bring their swimming gear on the first day.

Monday 5th February HOLIDAY

The school will be closed on Monday 5th February, the day before Waitangi Day. This means you will have a 4 day weekend.

Drone

After the wonderful job William has done of filming many events this year from his drone, and him heading off to High School next year, the Student Council decided that we needed our own drone! This has been purchased with the profit made from events such as the Discos and Burger Day. Thank you for all your support of these events.

Chocolate on Special

There's a one day special on chocolate tomorrow! We have some chocolate bars left over which will be on sale for \$1. Go to the library before school or at interval. Chocolate must be taken home not eaten at school.

Kind regards

Looking for good home

Looking for a new home for a 3 year old male black lab X, neutered, microchipped and registered. Great with kids, very friendly and obedient and loves to play and run.

Please contact Cat on 027 233 2009.
